

Summer Packet

First Grade (rising to 2nd grade)

Dear Parents,

This packet of material is intended to provide students with practice material to be completed over the summer. The packet contains a list of first grade sight words and math problems. The packet is designed to keep skills at the forefront of their mind, so they are ready to build upon previous taught skills in second grade.

The public library has an excellent summer reading program. I would encourage your child to participate and continue reading books aloud through the summer.

Have a wonderful summer,

Mrs. Whisenhunt
